

@ VATTANAC Golf Resort – The NEW for 2020 'West Course'

WHY SUPPORT THE LIGHTHOUSE CLUB?

Building on the success of the past 5 charity golf tournaments, Lighthouse Club Cambodia are arranging their 6th Charity Golf Tournament, with all proceeds being used to fund our charitable work in Cambodia.

To date Lighthouse Cambodia has successfully sponsored over 30 students through full time vocational studies and supported the medical treatment & rehabilitation of several victims who were injured as a direct result of construction related accidents.

The money we raise will continue to directly support, educate, train & help Construction Workers in Cambodia.
